In addition to league commitments, the teams conduct various collections throughout the year for charities and where some of our teams are recognised as the highest fund raisers. Please support where you can. Long may it continue.

## PLEASE

We pride ourselves on being a friendly club so please

## YOUR CLUB

The hospitality industry continues to struggle. We hope that in keeping our bar prices competitive and offering a variety of entertainment, will continue to improve our prospects for the future. But we can't do it without the support of our members.

The committee continuously looks at areas to improve club facilities. Below is a list of our achievement in 2024.

- New brewery supplier
- Enhanced CCTV indoor.
- Replacement of snooker tablecloth, pockets, cushions & light. Air con installed.
- New fencing along Riverside, enhanced CCTV now covering outside areas.
- A new electronic Fob/Card entry system. You should have these on your person every time you visit the club. Access and usage are monitored.
